Dear Dr. McAllister:

As Chairman of the 1991 Gordon Conference on "Phagocytes" I want to thank you for your generous support in the form of a $2,000.00 donation to the 1991 Gordon Conference on Phagocytes. This conference promises to be a very important and exciting meeting and your support will help us to bring several scientists to the meeting. I have sent your check directly to the Gordon Conference Committee and they will be sending you formal acknowledgement as well. We are certainly very appreciative of your support.

Sincerely yours,

John I. Gallin, M.D.
